

*FORMATION IV*  
**Morphogenesis**  
**4.1.05**

**morphogenesis**

**migration**

**tubes**

**rolling**

**ballooning**

**condensation**

**cell affinity**

**epithelium**

**mesenchyme**

**cytoskeleton**

**cadherin**

**cell adhesion**

**FGF signaling**

**epithelial/mesenchymal transition**

**extracellular matrix (ECM)**

**cell sorting**

**integrins**

**junctions**

**apical/basal polarity**
